

# Want to learn more about co-extrusion? *Unleash your creativity with Puratos and Rheon!*

Puratos and Rheon are happy to invite you to discover the latest trends and techniques when it comes to filled desserts and snacks.

Experience the power of our delicious Puratos fillings when they are used in combination with Rheon co-extrusion equipment.

Finally, get a front row seat as our technical experts showcase live demos that will help you commercialize trendy, yet long shelf life, products.

Seats are limited [Click here to register](#) or visit [www.puratos-events.us](http://www.puratos-events.us)
